“We need revival.”

We hear this from about every Christian, every preacher, and every church.

Yet, in the church today, people claim to want revival but are bothered if their preacher goes a few minutes too long. Sure, we want revival, but we want it on our own terms, by our own conditions, and with no interruptions of habit or disturbance of lifestyle.

Revival Quotes

A true revival means nothing less than a revolution, casting out the spirit of worldliness and selfishness, and making God and His love triumph in the heart and life.

—Andrew Murray

When Holy God draws near in true revival, people come under terrible conviction of sin. The outstanding feature of spiritual awakening has been the profound consciousness of the presence and holiness of God.

—Henry Blackaby

The average man is not going to be impressed by our publicity, our posters, or our programs, but let there be a demonstration of the supernatural, and at once man is arrested.

—Duncan Campbell
